Co-Curriculum Activities Programme

Nursery – Year 1

Summer Term 2018

Dear Parents,

I am pleased to be able to provide you with information about next term's co-curriculum clubs which will be available to pupils. New clubs for this term include a cookery club, sewing club, science club, gardening club and tennis and percussion clubs.

We aim to offer clubs which appeal to our pupils in sports, arts and academic areas and we do try to rotate opportunities to participate in clubs to different year groups when possible and appropriate. We offer a broad and varied range of experiences and our expectation is for all pupils to participate and be involved in the co-curriculum programme in some way. However parents should ensure that their children really do wish to attend activities before selecting them, as reluctant attendees can be disruptive to the group and we also recommend that the children have at least one lunch break per week free of any club activity so they may enjoy free play at lunch break. Please note for all sports clubs P.E kits should be worn.

The musical clubs such as choirs do not count as clubs as such, and a level of commitment is required so that those rehearsing are still there when we do a concert. They are in the club booklet so that you can avoid clashing with them when you choose other activities. You don't need to sign up for them or re-register each term your child will automatically be on the register.

Please do make a note of the start and finish times, dates and any excluded dates for the clubs your book for your child. Not all clubs run for the same duration or for the same dates during the term.

To make a booking for next term follow these steps:

- 1) Select the clubs your child would like to join.
- 2) Return the booking form by the closing date: **14th March.**
- 3) Club places will be confirmed by 21st March.
- 4) Fees will be added to next term's invoice.

Our pupils enjoy lots of opportunities to develop new skills through participation in the co-curriculum. We hope your child will get involved in the co-curriculum programme next term too.

Kind regards,
Miss Walker
Director of Co-Curriculum

Terms and Conditions

- The Co-Curriculum activity programme is open to all St. Helen's College pupils.
- You may apply for as many activities as you like, provided your child is in the year group for the activity he or she wishes to participate in.
- When an after school activity does not start immediately after school, the children in that activity will be looked after by a form teacher in a designated classroom until club staff arrive.
- Booking forms are attached at the end of this booklet. Applications for all activities will be chosen at random from those received in school by **14th March** except when additional club sessions are offered to accommodate those who have been on the waiting list.
- A form indicating which activities your child has been successful in applying for will be sent home by **21st March**.
- If an activity is full, the form will indicate this and your child will be placed on to the appropriate waiting list for this term only.
- Once a child has been allocated a place on an activity no refunds will be possible.
- If your child is unable to participate in their activity due to illness or an injury we will not refund for the sessions missed.
- Occasionally individual instrumental tuition may clash with extra curricular activities; instrumental tuition will take priority and children will miss the co-curriculum activity. No refunds will be issued.
- If a club session runs but a pupil misses the session due to involvement in another school activity no refund will be given.
- If a club session is cancelled due to unforeseen circumstances and cannot be made up, a refund will be issued on the following term's fees.
- We reserve the right to cancel a club if there are insufficient numbers to run the club.
